A perfect wedding weekend

We had our wedding at Alexander at Creek Road in January 2022 - it was absolutely wonderful! What drew me to this venue was the lodging options, because we wanted to be able to host friends from out of time and make a whole weekend out of our wedding. The venue offered lodging for up to 40 and we were able to hang with them all weekend long! The venue itself is gorgeous and was perfect for an outdoor ceremony and an indoor reception since it's winter and cold out. But one of the best and unexpected parts of the whole venue was that it includes a day-of-coordinator, Melissa, who was helped our day run smooth, stress-free, and absolutely perfect from start to finish. I can't say enough good things about her. We had such a great time, and would highly recommend booking ACR for anyone else looking to turn their wedding into a whole weekend affair in the Texas hill country!

I recently had my wedding at the Alexander and WOW!!!! The entire process from booking the venue to my wedding night was easy and not stressful, thanks to Michelle and Terri. Michelle had excellent communication with me throughout my wedding planning process and was always willing to accommodate any requests along the way that I had!

There are no words to describe how thankful I am for Terri, the wedding planner. She always took time to meet with me, answer emails, give me suggestions or anything else I needed. The day of the wedding, she always made sure things were flowing smoothly and my husband and I were taken care of. My wedding genuinely would not have been the best night of my life without Terri- I am forever thankful for her!

The venue is absolutely beautiful! I can't wait to see my wedding pictures under the Cascade Oak tree. We booked the lodging all weekend for wedding party and family and it was an excellent decision.

My wedding was the most magical night and I am so thankful I chose the Alexander as my wedding venue! Thank you Michelle, Matt, and Terri for everything!!! <3

Beautiful Venue with Incredible Staff

The Alexander at Creek Road itself is an awesome venue but the people involved are what took it to the next level and made our wedding so memorable! Our priorities for a wedding venue were onsite lodging and a beautiful tree to get married under, the Alexander checked all of our boxes and was the first and last venue we visited! The barn and onsite cabins are all beautifully decorated with cute and welcoming touches. Our family and wedding party were very impressed with the weekend lodging and gorgeous hill country views especially from the Treehouse. The Country House was an excellent spot to host our informal and casual rehearsal dinner with a full kitchen, beautiful front porch with rocking chairs, and a nice backyard space.

Matt and Michelle went above and beyond to accommodate our unique needs. They

helped build an accessible ramp for easy access to one of the onsite cabins for our guest. Terri was INCREDIBLE! She was a great resource during the planning process and outdid herself the day of the wedding. Any time I turned around or needed something she was right there to help out setting up/ tearing down/ and everything in between. During the reception if I tried to help out doing something, I was told to enjoy the night and it was done for me. I couldn't have asked for better service and can't express enough thanks for all of the wonderful workers at the Alexander who helped make our remarkable day one we will never forget!! ★★★★★ Wow, what a venue and dream team! So first the actual space - it is beautiful. Everything from the grounds, to the barn and (new!) pavilion, to the ceremony site - it's all stunning and makes for such a lovely backdrop for photos and space to host your wedding guests. We kept getting comments all evening from our guests on how beautiful it was, and how much they enjoyed just being there - it felt like a mini getaway from the hustle and bustle. We also stayed onsite for our wedding "weekend", and you will not find a cuter and more peaceful place to stay in the hill country. Each cabin or treehouse room is uniquely and thoughtful decorated (by Michelle the owner), and we all loved our stay and rooms. It was so nice to have a space to be all wedding weekend, to not have to worry about travel logistics on our day and have a slower and more relaxing start to a busy day.

Now, onto the people - I cannot say enough good things about Michelle and Terri. They are so kind, thoughtful, and truly there to make your day a success, AND the planning process as smooth and easy as possible. Super easy to talk with throughout the planning process, responsive and organized. On the actual day, Terri blew us away with how she organized and made the day just...happen. I didn't have to worry about anything - she was patient with my questions, and made sure things ran seamlessly, on time and I'm sure handled tiny little details I didn't notice (because she took care of them). We were able to be present and enjoy the day because I knew she had things under control and would guide us throughout the evening. All of that with a smile on her face, and just a total delight to work with and have with us. She also helped make my loosely communicated decor vision come to life, and I walked into a reception space

that was just beautiful and pulled together in a way that I couldn't have imagined or created. You will not go wrong with the Alexander at Creek Rd - I can't recommend it enough, and I can't thank Michelle and Terri enough for all their work, time, patience and for such a wonderful day and stay! Our wedding at the Alexander at Creek Road's WindSong Barn was so beautiful! We received so many compliments on the barn, lodging and location from our guests. Terri is an amazing person and wedding coordinator; she was thoughtful, fun, calming and so professional. We could not be happier with our big day. Thank you so much for sharing your amazing venue with us for the weekend!

Perfect Setting!

We really wanted a location where family and the bridal party could stay onsite. The Alexander was absolutely perfect! The planner, Terri, was a dream, and I can't imagine doing this without her. Her expertise was invaluable! She was so kind and reassuring through the whole process. In the midst of the pandemic, our stress melted away when we finally reached the idyllic Alexander. Matt and Michelle were so kind and accommodating to our guests. It was the perfect setting for our most special day!

My husband, our families, and I were SO impressed with the venue site and day-of coordinator, Terri Matthews. She helped make our dream of a day come true. From the day we visited the venue until the the day after the wedding, she was in touch with me regarding all questions and inquiries. She went above and beyond and we were so thankful to have her throughout this whole wedding process. The owners Michelle and Matthew were also very nice and helpful. We rented out all the cabins and treehouses on their property and had the best time with our closest friends and families. It was a perfect weekend focused around our beautiful wedding and we will for sure be back for a little weekend getaway!

Daughter's wedding

This venue is perfect for combining accommodations and venue. The treehouse condos were so fun. The best part about choosing this location was the availability of their wedding planner, Teri. She did an amazing job of pulling everything together and was worth every penny.

The best wedding venue in hill country! We absolutely loved the Alexander at Creek Road for our wedding venue. It was the only place we toured and we booked it immediately. Michele was very easy to work with and provided a great list of vendors, which made it easy for us. Terri was a wonderful wedding coordinator! We met with her once before our wedding and exchanged numerous emails. She did so much to help setup the venue, got us where we needed to be, brought us food, helped with clean-up, and so much more. We couldn't have done it without her. Everyone commented how much they loved the venue. We rented all the rooms so our family and friends could stay on site, which was awesome. The treehouses were beautiful. We highly recommend the Alexander at Creek Road! (Mercedes Morgan Photography)

This venue supported all of my dreams! They provided the BEST day of coordinator ever, and my wedding day was so smooth. The lodging allowed for my family to spend a whole weekend together. The Alexander was the best choice I made for our special day!

Seamless Wedding at the Alexander

Amazing venue, great accommodations, beautiful setting, and wonderful people! We wouldn't have wanted our special day anywhere else! The perfect place to start Forever

I have no idea where to start because literally everything about the Alexander at Creek Road is PERFECT! From your first step on property the beauty of everything will take your breath away, then as you walk throughout you just feel relaxed as if you are at home. Matt and Michelle have built love into every inch of the entire property which is clear with all their thoughtful additions.

Besides the feeling and personal touches this venue has EVERYTHING. 2 ceremony sites both offering gorgeous views. Personally we loved their Cascade Oak which sets a stunning backdrop to your ceremony. The Windsong Barn barely needs decoration because its rustic touches and finishes make it inviting and beautiful on its own. Additionally they have on-site cabins and TREE HOUSES to make it a whole wedding weekend instead of just one event. Being able to have your loved ones on property with you adds the perfect touch to making that day memorable. Their Bridal Suite is thought out (as everything is) to be both beautiful and functional. Lastly, Terri Matthews- whoa, this woman could

conquer the world! She is so sweet and fun that she is more like your best friend for the day than a wedding coordinator. But don't be fooling into thinking her kindness makes her "soft", she is an organized machine that keeps everything together and running smoothly so you and your new spouse can just be present and enjoy the day.

If you've made it this far in reading the review- stop what you are doing and book now. You won't regret it. You will be starting your Forever surrounded by love and beauty and Matt, Michelle, and Terri will be your biggest cheerleaders as you take this next step.

Emily R. , married on 06/01/2019 **Highly recommend**

HIGHLY recommend to anyone getting married. The Alexander went above and beyond what we wanted with our wedding. They made wedding planning easy and enjoyable - what aided in this was their on site planner, Terri Matthews. She is AMAZING - she exceeded expectations, took charge of vendor communication and execution, decorated beautifully, and flawlessly conducted the wedding day better than I envisioned. The venue was absolutely gorgeous, and the owners & Terri were a joy to work with. I cannot thank the Alexander and Terri enough for my wedding day! Still beaming from it :) (Mylah Renae Photography)

If I could go back in time, and find this venue sooner, I would in a heartbeat. We had booked at a previous venue, but because something did not feel right, we changed our minds after discovering The Alexander at Creek Road. The owners, Matt and Michelle, are wonderful, and Terri, the Day of Coordinator is an angel. My husband and I highly recommend this venue. They have everything you need, and it is truly a breath of fresh air. Our guests still talk about our wedding, as do my husband and I. It may have been late in the whole wedding planning process, but we found where we were supposed to be, and we hope you do too. We plan to stay in one of their cottages for our one year anniversary. Thank you Matt, Michelle, and Terri. Everything was beautiful and turned out the way it was supposed to. You have a special place in our hearts. Sent on 04/17/2019

We had an incredible experience from the day we booked, until the day after our wedding and checking out of the lodging. Michelle, Matt & Terri are an amazing team and were extremely helpful, flexible, kind and so much more. They have created a beautiful, intimate venue that was everything we imagined and more. It was the best day of our lives, and we highly recommend booking The Alexander at Creek Road & Windsong barn for your special day. (Averie Claire Photography)

5.0 We chose The Alexander at Creek Road for our wedding venue, and in one word to sum up our special weekend - AMAZING!!! Matt and Michelle went above and beyond to help make our special weekend absolutely perfect, and I couldn't have dreamed of having anything better! From the beautiful cabins where our families so comfortably and happily stayed, to the gorgeous venue and views, to the incredible party attendants (who treated us like royalty and made everything completely stress free!!), there was nothing we could have dreamed of that would have been any better! Matt and Michelle had everything we needed on hand, including portable heaters for when the weather unexpectedly dropped to 40 degrees (in April)! Even with the crazy unexpected temperature drop, our wedding day was absolutely perfect and every guest at our wedding was blown away by the beauty and charm of The Alexander at Creek Road. Matt and Michelle, thank y'all so much for creating such a fantastic beautiful dreams and day we will never forget and there again soon! (Sarah

We rented the entire property for our wedding, and with the lodging, we were able to accommodate our wedding party and many of our out-of-town guests. Our guests loved their rooms, and each room was thoughtfully constructed and decorated. The Country House is perfect for entertaining. There's a large, covered area in the backyard that has a grill, large TV, plenty of seating. We stayed up all night with our friends, and it allowed us to enjoy some special moments.

At the time of our booking, there was only one ceremony lawn, under a gorgeous oak tree near the barn. As we were planning, the second ceremony site opened up, and that's the one we ended up using. It provided a separation of space from the cocktail/reception area, and my (new) husband would tell you that it makes for a very dramatic entrance to the aisle by the bride.

As far as decorating, although the WindSong Barn and ceremony sites are pretty on their own, there are so many ways to decorate it to however you envision. The bridal suite upstairs in the Barn was just lovely. My hair stylist was really impressed with the amount of natural light, and she was thrilled to see that it came with adjustable stools. It also comes with a mini fridge for chilling those getting-ready drinks.

One of the available rentals was a golf cart, and if you're on the fence about it, hop on over. It was incredibly helpful for hauling things to the Barn from our cottage, as well as saving a few drips of sweat from not having to walk in the heat to and from the cottage.

Matt and Michelle were so quick in their responses that it made me impatient with some other vendors. Let me say that if you're in the final stages of wedding planning, nothing is more helpful than quick responses.

I'm tempted to get married again (to the same husband), just so that I could enjoy it all over again. We had a magical evening, and the care and effort that Matt and Michelle put into this space are evident throughout the whole property. (Rob August Photography)
