

Hello, I'm

Lauren!

Thank you for the honor of considering my Event Planning and Coordination Services! I am Dripping Springs local, I am a City girl turned Country, and I *love* all kinds of celebrations! I started my career in the field of nutrition as a Clinical Dietitian. After many years working in hospitals, I decided to chance it all to follow my love of Event Planning. I am proud to say I am now over a year into planning Weddings and Events and have NEVER looked back! The Alexander at Creek Road is truly a family and I am *lucky* to be a part of it! We are all sincerely invested in our clients and actively work to ensure we provide the best experience. My experience and training allows me to see all angles of event planning and execution to ensure a smooth, flawless event! What I bring to you is a collaboration of experience, creativity, organization, and guidance to build exceptional celebrations!

Couples can spend HUNDREDS of hours on planning a wedding.

As your planner, I will sweat all the small things, guide you through the to-do list to make sure it all gets checked off. Let me take the stress off of you so you can *enjoy* the celebrations, your relationship, your family, your friends and get some sleep at night.

Not only will it happen, but it will happen within your budget, with your style, your theme, and with your vision. Allow me to collaborate with you, and to organize that vision into your dream event.

Making your day the Best Day Ever is my passion. I look forward to welcoming you into our family! This is where your *forever* begins.
